Quality

VANCRAFT

Not Your Grandfather's RV

We're setting a new standard for recreational vehicles through exceptional quality and unmatched convenience, giving the world more time to connect with what is truly important in life.

Premium Birch Cabinetry

The perfect blend of durable and refined elegance.

White Oak Countertops

Meticulously crafted; robust and timeless.

Weather-Proof Vinyl Flooring

Built to withstand the elements, offering both durability and style.

Maple Walls & Fabric Ceiling

Rich grain and soft linen patterns blend seamlessly to create an ambiance of cozy elegance.

High-End Hardware

Where sophistication meets functionality for a truly luxurious touch.

Mercedes Benz

Our superior build quality is perfectly matched by the iconic Mercedes Sprinter chassis, inspiring confidence in our clients.

The Sprinter's turbo diesel drivetrain offers industry leading fuel economy, power, and longevity.

Boasting top-of-the-line value retention, your investment does more than satisfy your urge for adventure—it also serves as a smart financial decision for your future journeys.

Driving Excellence

VanCraft Sprinter vans are designed with the customer in mind. The cockpit offers the perfect balance of comfort, safety, and convenience.

Standard features* include 360° parking cameras, comfort leather seat package, Wireless Apple CarPlay, heated driver seat, dash technology package, blind spot monitoring, electric folding mirrors, keyless start, and more.

*Confirm van chassis options with sales rep, as not all Allterra models offer identical chassis options.

VANCRAFT

Adventure in the
everyday

Everything You Need, Nothing You Don't

An interior layout that is the epitome of design excellence – fluid in transition, aesthetically satisfying, and perfectly functional for all your adventures.

Seating

The Allterra offers seating for six individuals in total, featuring a plush leather bench seat with four FMVSS certified lap belts included for your safety and comfort.

Lagun Table

6-way adjustable table can be quickly removed and stowed under the bench seat.

Passenger Seat Swivel

designed to optimize interior space by enhancing cabin flexibility and comfort.

The Comfort of Home Wherever You Roam

Journey everywhere, feel at home anywhere.

Queen Size Bed

Features a 6" thick memory foam mattress; 5'9 wide and 6'4 long with the bench back extension.

Bench Back Extension

Our proprietary bench back extension deploys in seconds, and extends the length of the bed to 6'4.

Ventilation

Stay fresh and stealthy with the two included low profile Maxxair roof fans.

If you're going to spend a lot of time in hot climates, upgrade to a fully off-grid 12V A/C unit.

Bench-Bed Conv.

Turn your L-bench into a second bed and enjoy sleeping for an additional two adults with the optional bench-bed conversion.

Insulation

Experience year-round comfort with the Allterra's robust insulation system, designed for four-season comfort.

Diesel Heater

Ensure your winter adventures remain comfortable around the clock, even in the coldest conditions at elevations up to 12,000 ft.

Unlock limitless
adventure

VANCRAFT

Where Smart Storage Meets The Open Road

Everything you need right at your fingertips.

Industry Leading Storage

Whether you're looking for a weekend getaway or embarking on the Great American Road Trip, proper storage is key to a successful campervan trip.

The Allterra offers industry leading storage space for cookware, groceries, clothes, gear, etc.

All drawers and doors come with a smart-latch system to ensure cargo stays quiet and secure while driving.

Ample storage for gear under the bench seat.

Spacious closet and four overhead cabinets

End table storage has been optimized for your electronics

The Garage

Our open concept garage gives you total freedom when it comes to organizing your gear.

35" of height clearance makes mountain bike storage a breeze, and the 6'8 long storage bay on the driver side gives you ample ski and board storage.

Light up the night with the integrated bed-frame LED lighting system.

Keep your gear full charged with an easy to access 110V outlet.

Off-Grid Adventure Awaits

Robust and convenient systems unlock limitless adventure, wherever your path leads.

Self-Heated Lithium Battery

Our Renogy-powered electrical system utilizes a smart, self-heated lithium ion battery bank that is four-season rated. The Allterra comes with the largest available battery bank size of 600ah, enabling non-stop fully off-grid adventure.

Dual-Input Charging

Your battery bank receives charge from a large solar panel on the roof and van's alternator via smart charge relay. Between these two charging sources, and our thoughtfully designed electrical system, you should never need to plug in your rig to run the systems.

Indoor Wet Bath

Experience unmatched convenience with the Allterra's full interior wet bath, featuring a self-cleaning door, bamboo flooring, removable shower head and self-contained cartridge toilet.

Outdoor Shower

Experience the convenience of the instant hot water outdoor shower - designed for ease and convenience.

Leading Water Capacity

The Allterra is equipped with an industry leading 40 gal freshwater tank and includes an quick-winterize system designed to make winter camping a breeze.

Advanced Tech Stack

The Allterra's advanced tech stack keeps you charged, connected, and in control of your campervan systems.

Kitchen

Discover compact elegance in the Allterra's kitchen, featuring a heated pressure regulated sink, induction stove top, and spacious 75L refrigerator.

Adventure In The Everyday

Venture beyond the beaten path with the Sprinter's industry leading ground clearance and our included off-road package - roof rack, hood wrap, light pods, tires, and rear ladder.

Protective matte black hood wrap and a two-tone light pod kit.

Rear door ladder and tow package; 5,000 lb tow rating.

Matte black wheels wrapped in 32" all-terrain Yokohama tires.
